Graduates of the course receive an official DNR boating certificate, which the State of Michigan requires of all people age 12 and older to operate a watercraft over 6 HP. Each graduate also receives a life jacket with the LCIA Logo, compliments of the *Trip Abnee Memorial Fund of the Les Cheneaux Community Foundation*. Any youth who takes the Michigan Boater's Safety Course online and presents the Boaters Safety certificate from the online class to an LCIA officer will receive an LCIA Life Jacket. This Fund was initiated by the Abnee Family in Honor of Trip, a past LCIA President and the originator of the LCIA Youth Boater Safety Class.
